Mr. wise:

Re: Certification

It is my pleasure to inform you that your business has been certified as a minority-owned business by the Governor's Office of Small and Minority Business Assistance (OSMBA). Through this certification, your business will realize increased visibility and access to state procurement.

A certificate is enclosed to be placed at your business location. This certificate expires in five years. However, if there are any changes in ownership, organizational structure, address, phone number, etc., during this time, you must notify this office in writing within 30 days of such changes.

The Governor's Office of Small and Minority Business Assistance reserves the right to cancel your certification at any time if your company is found to be ineligible.

Thank you for helping to build a sound economic base in South Carolina through business enterprise development.

Sincerely,

A handwritten signature in cursive script that reads "Christine Glover".
